Named one of Time Magazine International's 30 most important people of 2005, Maud Fontenoy presents us with a terrific, entertaining adventure story on the high seas as she challenges the Pacific Ocean—a feat no woman before her ever accomplished. Already the first woman to row alone across the North Atlantic, Maud raised the bar to defy the elements, the daunting solitude, and the circling sharks of the South Pacific on her second solo voyage. She overcame all the odds as well as her personal doubts and fears, demonstrating not only her indomitable courage and strength but proving once again that women can conquer the most difficult and treacherous obstacles.
