Marijuana in the Workplace: Dive into this informative and educational read about four different types of legal scenarios in the workplace involving marijuana and an employee using the substance

Trevor Clinger

Marijuana, the social media topic of the world for the year of 2015 and beyond. States within the United States of America have been pushing hard to get this substance off the black market and out of criminal hands. These states would rather have marijuana regulated and controlled so people can safe access to the drug, and the criminal marijuana enterprises will fall due to lack of business. As marijuana becomes more widely available, we must consider how it will effect a user's job. We must also consider how an employer will deal with an employee has a medical marijuana user. In this read a explain four legal scenarios that are most common involving an employee user, marijuana, and the employer. This article could save your business, as well as help an employee file and win a lawsuit. Author possesses a Bachelor's Degree of Business Administration from Tiffin University.
