"This mind-boggling journal-of-sorts was borne out of love.

True love that had not yet existed for a 60-year old, still hot, simmering woman.

I already had a full stressful life with a demanding & money-making career, a millionaire boyfriend, two beautiful daughters and grandchildren that I all loved well.

Enter P-Straat. The mentally ill / love- driven relationship that has made my life the most sex-filled time is recorded for you to read by incredible open lovemaking to verbal cock fights.

Most of it's here for you ...the wrong feelings that go with the right situations.

Here's the key to a relationship, not abusive you understand: HE MUST BE THE LION KING.

That's how I started this journey with P.Straat in mind. I praised his dick. We had sex anywhere anytime he wanted.

Just to wet your appetite, in front of an off the path restaurant in broad daylight, he stuck his ""peter"" through my half-open

window to suck while I was sitting in my car. He stood outside with his pants unzipped; thrusting his ""peter"" into my

unbelievable mouth. That was just foreplay.

We are both so passionate, it also came out in bad ways including the biggie: jealousy. If you want to know more,

read my book.
