## **What I Wish I'd Known about Raising a Child with Autism: A Mom and a Psychologist Offer Heartfelt Guidance for the First Five Years** Bobbi Sheahan, Kathy DeOrnellas

Bobbi Sheahan, mother of a child with autism, and psychologist Kathy DeOrnellas, Ph.D., did not write this book to lecture you on how to parent your child. Instead, they offer themselves as your scouts in the field, who have valuable information to share - from the moment you realize your kid is different ("My, what a quiet baby I have!"), to the self-righteous moms on the playground, to holding your marriage together in the realm of routines.

They candidly tackle ASD issues such as:

Picky Eating

Bedtime Battles

Potty Training

Speech Delays

Discipline

Early Intervention

Sibling Rivalry

And much more!
