I swore never again, but now that I have Susan, I can't let her go...

I had it all, and I threw it all away.
Bikes, tats, a body to die for, and girls lined up by my bed.
I lived for the road, the parties, and the adrenaline rush.
Until I f***ed up and fell in love.
And when they lowered that coffin in the ground, I swore never again.

Once was enough.

Then along came Susan.
Smart, sassy, with lips begging to be kissed.
She thinks I'm just another dumb biker.
An organ donors on wheels.
She has no idea who she's messing with.

She's too prim, too proper, too *good*

...All the more reason I want to make her bad.

To keep her in my home.
To keep her in my bed.
To make her *mine* and NEVER let go.

***Wreck Me* is a full-length, standalone romance with hot sex, strong language, and an HEA.**
