**Arabian Nights (+Audiobook): With Popular Indian Fairy Tales** Andrew Lang, Joseph Jacobs

One Thousand and One Nights is a collection of West and South Asian stories and folk tales compiled in Arabic during the Islamic Golden Age. It is known in English as the **Arabian Nights**, from the first English language edition (1706), which rendered the title as **The Arabian Nights' Entertainment**.

The first story of the ruler Schahriar (from Persian: ????????, meaning "king" or "sovereign") and his wife Scheherazade (from Persian: ????????, possibly meaning "of noble lineage") works as a framing device incorporated throughout the tales themselves. The stories proceed from this original tale and some are framed within other tales, while others begin and end of their own accord.

## The Collection

- The Arabian Nights
- **The Story of the Merchant and the Genius**
- The Story of the First Old Man and of the Hind
- The Story of the Second Old Man, and of the Two Black Dogs
