You: Independent, modern city gal who surprises herself by falling in love and getting married. And one morning, you wake up and you're pregnant. As you try to settle into a life you still like to call "someone else's movie," you're looking for some friends and many answers now! Resourceful, you turn to the web for the former and find the latter, in the Mommymay list a virtual clubhouse of other women, all due the same month as you. Step through your very own e-looking glass and meet your 60 or so commadres who paint a dynamic, diverse, and sometimes dissonant portrait of what it is to be a mom-to-be today. Some of these women you'll like, some you'll love, some you won't be able to stand but they're there anyway, your community, your circle of friends, sage guides and oftentimes, enigmatic chatterboxes. There's no shortage of wit, wackiness and new wives' tales as you all hurtle through this exciting, curious, baffling and altogether wondrous journey towards motherhood. The old cliché is true: your life will be forever changed.

From reader reviews:

Patrick Walker:

With other case, little men and women like to read book BecomingMom.com. You can choose the best book if you appreciate reading a book. So long as we know about how is important a new book BecomingMom.com. You can add expertise and of course you can around the world by way of a book. Absolutely right, since from book you can understand everything! From your country until eventually foreign or abroad you will find yourself known. About simple factor until wonderful thing you are able to know that. In this era, we can open a book or perhaps searching by internet device. It is called e-book. You need to use it when you feel weary to go to the library. Let's read.

Geraldine Schrader:

Do you considered one of people who can't read gratifying if the sentence chained inside straightway, hold on guys this specific aren't like that. This BecomingMom.com book is readable through you who hate those perfect word style. You will find the details here are arrange for enjoyable examining experience without leaving perhaps decrease the knowledge that want to provide to you. The writer regarding BecomingMom.com content conveys thinking easily to understand by many individuals. The printed and e-book are not different in the written content but it just different such as it. So , do you nonetheless thinking BecomingMom.com is not loveable to be your top record reading book?

Susan Woods:

People live in this new morning of lifestyle always aim to and must have the extra time or they will get large amount of stress from both day to day life and work. So , when we ask do people have spare time, we will say absolutely of course. People is human not only a robot. Then we inquire again, what kind of activity have you got when the spare time coming to a person of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, the actual book you have read will be BecomingMom.com.

Dennis Carson:

Is it a person who having spare time and then spend it whole day simply by watching television programs or just resting on the bed? Do you need something totally new? This BecomingMom.com can be the response, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this completely new era is common not a nerd activity. So what these ebooks have than the others?
