If the Shoe Fits Alison Jackson

An original take on some favorite nursery rhymes - this is one search for a new house that's bound to be more pleasure than trouble.

*There was an old woman
who lived in a shoe.
She had so many children,
she didn't know what to do.
She gave them some broth
without any bread,
Then took them to live
in a new home instead.*

Too messy, too woolly, too noisy, too small. Whether it's Humpty Dumpty's wall or Mother Hubbard's cupboard, the old woman (who once lived in a shoe) and her children (who once lived there, too) just can't seem to find a new home big enough for their growing needs. So where will they turn for a cozy night's rest? The perfect place is only a step away -- no moving van required!
