Purity in Death (In Death, Book 15) J. D. Robb, Nora Roberts

From #1 **New York Times** bestselling author Nora Roberts, writing as J.D. Robb, comes a shocking new novel in the futuristic series... A frightening new computer virus is spreading and it knows no boundaries...

Louie Cogburn had spent three days holed up in his apartment, staring at his computer screen. His pounding headache was unbearable... like spikes drilling into his brain. And it was getting worse. Finally, when someone knocked at his door, Louie picked up a baseball bat, opened the door, and started swinging...

The first cop on the scene fired his stunner twice and Louie died instantly. Detective Eve Dallas has taken over the investigation, but there's nothing to explain the man's sudden rage or death. The only clue is a bizarre message left on his computer screen: *Absolute Purity Achieved*.

And when a second man dies under nearly identical circumstances, Dallas starts racking her brain for answers and for courage to face the impossible... that this might be a computer virus able to spread from machine to man...
