**The Bento Bestiary** Ben Newman, Scott James Donaldson

In the eighteenth century, Japanese artist Toriyama Sekien depicted each spirit of the *Yokai* tradition, an ancient race of demons whose descendants, Godzilla and Mothra, would later terrorize the earth. Now, two men rediscover the near-forgotten *Yokai* and return these ancient beasts to their former glory in *The Bento Bestiary*. This beautiful book is manufactured using Nobrow's renowned spot color print process.
