The King James Bible-1611 (Replica Edition)

In January 1604, King James I of England convened the Hampton Court Conference where a new English version of the Holy Bible was conceived in response to the perceived problems of the earlier translations as detected by the Puritans, a faction within the Church of England. These problems included Psalm 28, the Great Bible stated, 'They were not disobedient,' where as the corrected translation was 'They were not obedient.' Completed by the Kings printer Robert Barker in 1611, this King James Bible brings about a whole new look to the Holy Bible. With Daily reading schedules, and extensive Biblical family trees, this bible covers everything and anything. Under strict restrictions from King James, the translators formed a Bible that soon became the Holy Bible that was found on the Pulpit of the Church of England, replacing its predecessor the Bishop's Bible. From the original woodblock printing, we have created an exact reproduction of the original King James Bible. The King James version is the most printed book in history, boasting over 1 billion copies in print, but this 1611 reproduction lets you experience this great work in its original form.
