Black. The Birth of Evil.

While fleeing a hit man through the deserted alleys of Denver, a bullet clips Thomas Hunter's head. He escapes with his life, but later passes out from his wounds . . . and his world is swallowed by black.

From the dark comes an amazing reality of another world? a world where evil is contained. A world where Thomas is in love with a beautiful woman. A world that stands on the brink of annihilation.

Where does the dream end and reality begin? Every time he falls asleep in one world, he awakens in the other? each facing unimaginable evil, and each with a fate unknowingly tied to the other.

Some say the world hangs in the balance of every choice we make. Now the fate of two worlds hangs in the balance of one man's choice.

That is, if he can live to see the end of the day.
