"Numbers!: Take the Dog Out would be a great book to add to any young child's library. I can definitely see parents reading this to their kids and teachers reading it to their students for years to come. Author Lynne Dempsey and illustrator Mandy Newham-Cobb are ones to watch out for. I will certainly keep my eye out for more books by these two." -*Cheryl Schopen for Readers' Favorite*

"The book is vibrant with color, satisfyingly simple as an introduction for young readers just learning numbers, and includes plenty of 'action scenes' lending to parental read-aloud and easy reader learning (including dog bones scattered in each picture for kids to easily find - and count!)." - *Diane Donovan, Midwest Book Review*
