Operation Ivy Bells Robert G. Williscroft

Winning the Cold War is in the balance... A super-secret, off-the-books spy organization; a security-clearance starting at Top Secret and going up from there; an attack by giant squid during a thousand-foot dive while breathing an exotic gas; a cat's whisker escape from death during a three-day decompression – and that's just the first two chapters of *Operation Ivy Bells*, before the action really gets underway. Blending personal experience and real-world events in a fictional wrapping, *Operation Ivy Bells* offers a never-before-seen glimpse of these heroic men fearlessly facing death to gather the intel that tipped the scales to win the Cold War.
