Bold, beautiful and blessed with gorgeous curves, Amanda has always felt comfortable in her own skin. But, when those terrible dating experiences start threatening her self-confidence, the curvy beauty decides that it's time for a change. Even if that means listening to her bestie's advice and hitting the gym to revive her lost confidence.

But, Amanda least expects this change to come in the form of a devastatingly sexy fitness trainer who'll only add to the heat of her training sessions that are already too hot to handle!

Breathtakingly handsome and captivatingly sculpted, Grayson isn't just an average fitness trainer. But, the adorable buff has his own secrets. Tough, strong and muscular, Grayson has never found any thing big enough to be considered a challenge. But, when a single glimpse of this gorgeous woman causes his inner beast to grow restless, the sexy bear-shifter faces the biggest challenge of his life...

If dealing with his wild mating urges that are only going wilder with each passing minute isn't itself a challenge, Grayson finds it even more challenging to help his mate see herself from his eyes. To convince this beautiful woman how perfect she is, and most importantly, to give her what she truly deserves.

But, when a jealous stalker from Amanda's past and the secret of Grayson's identity come in the way of their happy-ever-after, the gym bear will not only have to woo his mate but he'll have to win her trust as well.
