## **St. Louis: An Illustrated Timeline** Carol Ferring Shepley

Many books have chronicled the exciting and complex history of the Gateway City, but none have taken a wide-angle view while capturing its most pivotal moments, until now. Through fascinating vignettes, illustrated with hundreds of photographic treasures, *St. Louis: An Illustrated Timeline* reveals how a fur-trading outpost grew into a major American city. This tour through the past, guided by award-winning author and historian Carol Shepley, delivers more than the typical highlights. We meet maverick Jacques Clamorgan, a fur trader who left his entire estate to the children he fathered with slaves; Josephine Baker, an entertainer who fought racism to achieve iconic status here and abroad; and Larry Roos, who took a stand against political corruption in St. Louis County. We encounter visionaries like James Buchanan Eads, who built the ironclad boats that helped the Union army conquer Vicksburg, and William Greenleaf Eliot, who believed women deserved an equal education and founded Washington University to meet that goal. Along the way, we greet legends of sports and entertainment, including the Gashouse Gang, Branch Rickey, Stan Musial, Scott Joplin, Miles Davis, and Nelly. Heroes and villains, saints and rascals, innovators and obstructionists, all have shaped this city. A rare and important publication, *St. Louis: An Illustrated Timeline* captures the story of this gateway to the West in a way not seen before.

#### **Sandra Fritz:**

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this St. Louis: An Illustrated Timeline can make you sense more interested to read.
