**American Tapestry** Rachel L. Swarns

A remarkable history of First Lady Michelle Obama's mixed ancestry, *American Tapestry* by Rachel L. Swarns is nothing less than a breathtaking and expansive portrait of America itself.

In this extraordinary feat of genealogical research—in the tradition of *The Hemmingeses of Monticello* and *Slaves in the Family*—author Swarns, a respected Washington-based reporter for the *New York Times*, tells the fascinating and hitherto untold story of Ms. Obama's black, white, and multiracial ancestors; a history that the First Lady herself did not know.

At once epic, provocative, and inspiring, *American Tapestry* is more than a true family saga; it is an illuminating mirror in which we may all see ourselves.
