## **Nuevos Mensajeros (Spanish Edition)** Ariel Berretta

El mundo como lo conocemos, definitivamente desaparecerá. Basado en hechos científicamente comprobables, el autor no nos presenta el fin del mundo, pero si un cambio brutal, para toda la humanidad. La dependencia del ser humano moderno de sus propias comodidades, sobre todo en las ciudades, lo convierte en una víctima potencial. Pero una mega tormenta electromagnética proveniente del Sol, será un parte aguas para todo ser sobre el planeta azul. Sin electricidad, sin comunicaciones y sin transporte por meses, los más bajos instintos harán del mayor depredador de la Tierra, su enemigo más cruel y sanguinario. Quienes viven en contacto con la naturaleza y aislados, recibirán un impacto mínimo; pero las grandes ciudades, virtualmente enloquecerán. Religiones, formas de pensar, de actuar y de vivir, son cuestionadas y puestas a prueba, ante situaciones que ni las mentes más previsoras, pueden siquiera imaginar. Una forma diferente de ver algo que todos esperan, y una manera clara de prever esta situación y prepararse para ser un sobreviviente y no una víctima.
