Jean Shinoda Bolen

## **Ring of Power: Symbols and Themes Love Vs. Power in Wagner's Ring Cycle and in Us- A Jungian-Feminist Perspective (Jung on the Hudson Book Series)** Jean Shinoda Bolen

A vivid grasp of the story and the characters in "The Ring of Niebelung" brings Richard Wagner's mythic four-opera cycle to life. *The Ring Cycle* has a hold on our imagination like no other operatic work because it is archetypal and has the power of myth as well as music to reverberate in the psyche. Bolen shows how myth illuminates psychology, and more - *Ring of Power* goes beyond the psychology of the individual, revealing dysfunctional families and patriarchal institutions.
