## **The Priority of Christ: Toward a Postliberal Catholicism** Robert Barron **A Major Statement on Christology from Bishop Robert Barron**

For a long time, Christians have tried to bridge the divide between Christianity and secular liberalism with philosophy and theology. Bishop Robert Barron shows that the answer to this debate--and the way to move forward--lies in Jesus. Barron transcends the usual liberal/conservative or Protestant/Catholic divides with a postliberal Catholicism that brings the focus back on Jesus as revealed in the New Testament narratives.

Barron's classical Catholic postliberalism will be of interest to a broad audience including not only the academic community but also preachers and general readers interested in entering the dialogue between Catholicism and postliberalism. The hardcover edition includes a new preface by the author.
