As a student exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know
