There Once Was a Man from the U.S. A.: 50 State Limericks Joshua Kraushar, Victoria Rose Weiss
The 50 states of limericks! There Once Was A Man From the U.S.A. is a book of limericks about each of the fifty states in alphabetical order. The book contains several illustrations from the talented Victoria Rose Weiss. Many of the limericks have very little connection with the states mentioned but some are directly related to several of the others. Although it may seem simplistic to use the same rhyme scheme, it turned out to be much harder than one would think. Try rhyming words with Massachusetts, (not that's something that you would normally do) and you might find it more difficult than you would imagine. If you are a teen or a geographically challenged adult who needs an easy way to remember the fifty states, this may be the book for you. This book may not be appropriate for young children and is not geography book but is designed to be funny and quirky.
