## **Beyond the Horizon** Nest+M Eighth-Grade Class Of 2014

Deep in the heart of New York City, there were a bunch of rather eccentric teenagers who wrote a book. This book, to be precise. Beyond the Horizon is a compilation of the writings of New Explorations into Science, Technology, and Math eighth-grade students that will catapult you headfirst into the concept of human nature. You'll delve further into the desires, fears and motivations of humans than you've ever gone before- unless you're a psychologist. Those questions about human nature that have lingered in the back of your mind and left you wondering? We have your answers.
