Love Gone to the Dogs:

Single mom, Leah Taylor, has her hands full with a grandfather, an inventor, who lives a bit risky when it comes to his job and two sons, one a rambunctious genius. But it is her free spirited beagle who gets her into trouble with her new neighbor, Dr. Shane O'Grady, when her dog makes a move on his champion bichon that he wants to breed.

Leah and Shane clash over their dogs that clearly like each other. Leah is determined to ignore her neighbor, but when her youngest son who tries to defy gravity and fly ends up hurt, it is her neighbor, the doctor, who takes care of her son. Can Leah and Shane find love or has love gone to the dogs?

Your, Mine and Ours:

The last thing Tess Morgan, divorced mother of three rambunctious kids, needs is a speeding ticket--especially not one delivered by sexy-as-sin Officer Zachariah Smith. Not only is he ridiculously overbearing, but handsome enough to tempt her to forget her vow to steer clear of all men!

Too bad for her, the widowed cop has other plans. Zach, a single parent himself, knows all too well what it's like being alone, and he's had enough. Will his determination to forge better lives for both of their families be enough to overcome past pains?
