*The Pocket Guide to Technical Communication* is a handy reference for on-the-job business, technical and scientific writing. Its brief format provides quick, easy-to-read answers to common writing problems. Filled with examples, it features samples of every major document type and emphasizes quality and planning throughout. This edition offers new editing exercises, expanded coverage of email, and an entirely new section on PowerPoint. Its condensed approach is ideal for instructors who want their students to spend more time writing and less time reading about writing.
