Queen Arthur (Futanari Erotica Fairy Tales Book 6) Julie Law

## Queen Arthur (Futanari Erotica Fairy Tales)

Morgana knew the truth about King Arthur and because of that she ran from her arranged marriage, leaving Camelot behind.

What she couldn't have known was that her actions would embark her in the greatest adventure of her life, or the powers she would gain from it.

Now, years later she's captured by Arthur's knights, but she had magic and would resist the king's attempts at breaking her, and if she failed she would make Arthur's life a living hell.

It's a shame plans rarely survive contact with the enemy.

Queen Arthur is a book in the Futanari Erotica Fairy Tales series. It features futanari (dickgirl) sex, breeding (impregnation), futa on female, lesbian threesomes and magical transformation. For adults only!
