An ordinary town . . . full of deadly secretsStrange things have been happening in sixteen-year-old Maya's small Vancouver Island community from the mountain lions that have been constantly approaching her to her best friend's hidden talent for "feeling" out people and situations. There's also a sexy new bad boy who makes Maya feel . . . different. Combine that with a few unexplained deaths and a mystery involving Maya's biological parents and it's easy to suspect that this town might have more than its share of skeletons in its closet. "
