## **In New York** Marc Brown

Marc Brown now calls New York City home, and with *In New York*, he shares his love for all that the city has to offer and all that it stands for, including the way it's always changing and evolving. From its earliest days as New Amsterdam to the contemporary wonders of Central Park, the Statue of Liberty, and the Empire State Building, to the kid-appealing subway, High Line, and so much more, Marc's rollicking text and gorgeous illustrations showcase what he's come to adore about New York after fulfilling his life-long dream to live in the city he fell in love with during a childhood visit.

This is at once a personal story from the beloved creator of *Arthur*, a useful primer for first-time travelers on what to see and do with kids in the Big Apple, and a perfect keepsake after a visit. It's also a great gift for anyone who loves New York, the Crossroads of the World. *New York! New York!* It's a heckuva town!
