As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is
