The Wit and Wisdom of Lee Kuan Yew Kuan Yew Lee

Lee Kuan Yew played the pivotal role in Singapore's transition from British Crown Colony to independent developing nation, and on to the economically powerful and diplomatically influential city-state it is today. Throughout this surprising and at times painful journey, he has proved a charismatic and occasionally controversial leader. Lee is a conviction politician whose speeches are unambiguous, characterful and eminently quotable; this collection of almost 600 short quotations provides a compelling summary of his views on a wide range of topics from Singapore's past, present and future. In Lee's own words: "I have been accused of many things in my life, but not even my worst enemy has ever accused me of being afraid to speak my mind."
