Five fun-loving dinos get into silly accidents. Count along as they all fall down--with help from a colorful abacus!

They're busy and they're zippy  
They're happy, bright, and dippy.  
They're friends who play and laugh all day--  
Why are these dinos dizzy?

This sturdy board book has a plastic carrying handle and colorful dinosaur-shaped beads on a built-in abacus. As the bouncy rhyming story progresses, kids can move the dinos one at a time along the abacus. This book introduces the concept of addition, spread by spread. The final spread introduces subtraction as the dinos move back to their starting points.
