FDR's Body Politics: The Rhetoric of Disability (Presidential Rhetoric and Political Communication)

Davis W. Houck, Amos Kiewe

Franklin Roosevelt instinctively understood that a politician unable to control his own body would be perceived as unable to control the body politic. He took care to hide his polio-induced lameness both visually and verbally. Through his speeches—and his physical bearing when delivering them—he tried to project robust health for himself while imputing disability, weakness, and even disease onto his political opponents and their policies.

In *FDR's Body Politics: The Rhetoric of Disability*, Davis W. Houck and Amos Kiewe analyze the silences surrounding Roosevelt's disability, the words he chose to portray himself and his policies as powerful and health-giving, and the methods he used to maximize the appearance of physical strength. Drawing on never-before-used primary sources, they explore how Roosevelt and his advisors attacked his most difficult rhetorical bind: how to address his fitness for office without invoking his disability. They examine his broad strategies, as well as the speeches Roosevelt delivered during his political comeback after polio struck, to understand how he overcame the whispering campaign against him in 1928 and 1932.

The compelling narrative Houck and Kiewe offer here is one of struggle against physical disability and cultural prejudice by one of our nation's most powerful leaders. Ultimately, it is a story of triumph and courage—one that reveals a master politician's understanding of the body politic in the most fundamental of ways.

Robert Irizarry:

This FDR's Body Politics: The Rhetoric of Disability (Presidential Rhetoric and Political Communication) is great book for you because the content which can be full of information for you who always deal with world and also have to make decision every minute. This specific book reveal it details accurately using great manage word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but difficult core information with splendid delivering sentences. Having FDR's Body Politics: The Rhetoric of Disability (Presidential Rhetoric and Political Communication) in your hand like finding the world in your arm, data in it is not ridiculous a single. We can say that no reserve that offer you world in ten or fifteen tiny right but this e-book already do that. So , this is good reading book. Hey Mr. and Mrs. hectic do you still doubt which?

Evelyn Ross:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and can't

see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this FDR's Body Politics: The Rhetoric of Disability (Presidential Rhetoric and Political Communication) can make you sense more interested to read.
