## **Lucky** Eddie De Oliveira

A clever debut about love, sex, and everything in between, for anyone who's ever fallen for a friend (come on, admit it)

Sam is a teen boy who's attracted to both boys and girls. He doesn't know what to call himself or where he fits in. Then he meets Toby, another boy who likes both boys and girls. Are they destined to be just friends, more than friends, or less than friends? And what would happen if they were attracted to the same girl?

Love comes in many shapes and sizes. Sometimes all at once. In his brilliant, funny, and heartfelt debut, Eddie de Oliveira shows us there's more to life than being a wallflower or being knocked out by nungas.
