The Negro Question Part 5 Joseph and the 12th dynasty of Egypt Lee Cummings

This book gives indisputable evidence that the 12th dynasty of Egypt and Pharaoh Amenhetet is the Egyptian dynasty that contains the famine story. I will also in detail prove that the 18th dynasty of Egypt is the Exodus story along with Thutmose 1 as the Pharaoh of the Exodus. This book is the first of its kind in that it gives the exact date of the Exodus, the name Thutmose 1 as the name of the Pharaoh and the three different names of the Pharaohs that were instrumental in Moses life. This book illustrates ancient seals that have been found with the Kings of Judah and Israels names, ancient manuscripts from Anatolia(Turkey) that are written in Paleo Hebrew script that mention Israel. There are ancient maps that show the location of the river Habur or Hebrew. This book gives detailed artifacts found that validate the New Testament testimony that the people actually existed. I even show you images of the ancient Macabbes with afros and braids. This is a must purchase book in that it answers the critics who have said", there is no proof of the Bible story outside of the Bible".
