Book two: DIY Survival Hacks: Be Prepared for Disaster with DIY Household Techniques to Protect Your Family

Staying Safe and Secure

Do you worry about the state of the world today? Many people do.

Who could blame them? Geopolitical strife, regime instability, natural disasters, terrorism, ever-rising food prices, and what some consider a steep moral decline are all pretty worrying things. Oftentimes, people feel helpless and hopeless.

You don't have to anymore. In this book, I'm going to show you how to secure the basic resources you'll need in any disaster, natural or manmade. I'm going to give you the knowledge you need to keep safe and healthy in these unfortunate, but unavoidable circumstances.

Inside You Will Learn About:

- The reasons you should start preparing for disaster today
- How to secure the basic resources needed for survival
- Basic emergency medical care
- How to choose a shelter and bunker down
- The common misconceptions about preppers
- And Much, Much More

When you're done with this book, you'll be armed with the knowledge you need to survive hardship or disaster. The steps and information presented herein will be actionable, simple, and straightforward. Don't wait. Though these lessons may not seem pertinent in our modern and “safe” world, you need only look around you to see how necessary these skills can be. Better to learn and not need the knowledge than to need it and not have it. Pick up this book. You'll be glad you did.
