Paulo Coelho

The Pilgrimage - a Contemporary Quest for Ancient Wisdom Paulo Coelho

Here Paulo Coelho details his journey across Spain along the legendary road of San Tiago, which pilgrims have traveled since Middle Ages. On this contemporary quest, he encounters a Chaucerian variety of mysterious guides and devilish opponents and learns to understand the nature of truth through the simplicity of life. The Pilgrimage holds an important place in Paulo Coelho's literary canon. His first book, it not only paved the way for his phenomenal novel *The Alchemist*, but it also fully expresses his humanist philosophy and the depth of his unique search for meaning.
