**Afterwards I Knew: Stories from the First and Second World Wars. (Time to Eternity)** Christine Farenhorst

From the depths of history and the terrible days of the Great Wars we read stories of courage and danger but ultimately of faith, hope and love. A grandfather sits in front of a warm fire as the flames rekindle memories of times long gone - the next generation needs to know the truth. A table cloth and a large mischievous dog bring two women together from different sides of a bitter struggle. The dominion of Canada and battle scarred Dresden are reconciled through the love of Christ.
