Loves Perfect Ending is a collection of the experience of depression of and when we are trapped in a relationship that ends abruptly and without any explanation. We may not understand why. We are left alone in grief.

Breaking up is hard to do. We've all had those moments when a relationship has ended. The tears come running. We feel depressed. We grieve. We get stuck in the memories of the past. We feel anger. We are hurt and scorned.

This is a collection of poems where I have tried to capture the picture of these emotions and bring them alive. Emotions of the dark heart when we face the death of relationships. Every one of us has experienced the pain and sorrow of losing someone we loved.
