## **Jesus the Christ** James E. Talmage

It is a matter of history that, at or near the beginning of what has since come to be known as the Christian era, the Man Jesus, surnamed the Christ, was born in Bethlehem of Judea. The principal data as to His birth, life, and death are so well attested as to be reasonably indisputable; they are facts of record, and are accepted as essentially authentic by the civilized world at large. True, there are diversities of deduction based on alleged discrepancies in the records of the past as to circumstantial details; but such differences are of strictly minor importance, for none of them nor all taken together cast a shadow of rational doubt upon the historicity of the earthly existence of the Man known in literature as Jesus of Nazareth.
