This is the original format of the foundation book on the subject by Ven Te Chow. Seller notes that the copyright page shows what is labeled as ISBN number. This is not actually an ISBN number, it is an SBN number. SBN numbers were used in the 70's, prior to ISBN numbering. To convert an SBN number to ISBN, one must add a zero at the beginning. What this means is that the book was actually printed in the early 70's, but is an exact reprint of the original book.
