Marcel Proust

Remembrance of Things Past: Volume I - Swann's Way & Within a Budding Grove (Vintage) Marcel Proust

Here are the first two volumes of Proust's monumental achievement, *Swann's Way* and *Within a Budding Grove*. The famous overture to *Swann's Way* sets down the grand themes that govern *In Search of Lost Time*: as the narrator recalls his childhood in Paris and Combray, exquisite memories, long since passed—his mother's good-night kiss, the water lilies on the Vivonne, his love for Swann's daughter Gilberte—spring vividly into being. In *Within a Budding Grove*—which won the Prix Goncourt in 1919, bringing the author instant fame—the narrator turns from his childhood recollections and begins to explore the memories of his adolescence. As his affections for Gilberte grow dim, the narrator discovers a new object of attention in the bright-eyed Albertine. Their encounters unfold by the shores of Balbec. One of the great works of Western literature, now in the new definitive French Pleiade edition translated by C.K. Scott Moncrieff and Terence Kilmartin.
