*Two weeks on a beach can deepen more than just their tans.*

*Texas Montgomery Mavericks, Book 3*

KC Montgomery was eleven when she met the love of her life. Of course, seventeen-year-old Drake Gentry didn't know she existed, but that didn't stop her girlish fantasies from growing and changing over the years.

Now, after enjoying a front-row seat to his breakup with his latest girlfriend, she's been handed an all-grown-up fantasy come true—two weeks at the Sand Castle Resort. With him.

Drake most definitely noticed KC a long time ago, but the timing's never been right. Now that he's facing a lonely vacation that was supposed to be for two, it seems only natural to accept KC's offer to fill in. And as far as her terms go... No strings. No expectations. No holds barred. Drake is no fool—he's all over it.

But once they're back in Texas there are invisible strings still hanging between them. Strings labeled attraction, affection...even love. And the more they try to untangle the knots, the tighter they're bound together.

Warning: Beware of sunburns, whirlpool sex and sand in delicate places.
