The Lost City - BOOK 1 - Journey to the Lost City: The Search for Colonel Fawcett's Lost City of Z
Ben Hammott

An epic 2 book adventure set in the Amazon Jungle about a search for a Lost City and a treasure greater than any yet discovered.

An ancient mystery.

A Lost Treasure.

A Hidden City.

An impossible location.

An unimaginable adventure.

Included in Aztec and Mayan legends, Conquistadors had heard rumours of its existence when exploring the New World, but never found it.

During World War 2, Nazi inspired archaeologists were convinced they had pinpointed its location. They packed a U-Boat with supplies and set a course for the Amazon Jungle. They disappeared!

Many adventurers eager to claim the legendary gold as their own entered one of the most inhospitable places on earth, the Amazon Jungle. Most were never seen again!

And yet the exact location of this fantastic hoard so many have dreamed of finding remains a mystery. Any who may have stumbled upon it never returned to tell the tale.

It was as if someone, or something, was protecting it...

In 1925, Victorian explorer Colonel Percy Fawcett enters the Amazon Jungle to search for a Lost City. Like so many before him, he was never seen or heard from again. Until now!

When a message from the past is discovered washed up on an English beach, it reveals new information about the ill-fated 1925 expedition. A modern day expedition sets off to follow in the footsteps of Colonel Fawcett in an attempt to locate the Lost City and its legendary hoard of priceless treasure.

The Lost City Book 1 & 2 will take you inside the Lost City to learn of its many secrets and dangers. A thrilling story of adventure and discovery that weaves together an exciting blend of fact and fiction linked to the legends surrounding the lost Fawcett expedition and the mysterious Amazonian Jungle.

An exciting archaeological mystery thriller with flashbacks to Colonel Fawcett's 1925 Expedition.

Reviews

"This is a terrific two book series set within the atmospherically described Amazon jungle. I could easily imagine myself tagging along with the adventurers."

"If you like reading Clive Cussler, Matthew Reilly, James Rollins or Michael Crichton, you will enjoy this action adventure from Ben Hammott."

" Has all the ingredients for an instant success: great plot, interesting characters, a large dose of mystery, impressive locations , unexpected twists and discoveries, deception and betrayal and even a touch of romance and a spattering of humor. This story will keep you entertained from beginning to end. Recommended for the permanent library of all action adventure readers."

"The Mysterious and Dangerous Amazon Jungle, Subterranean Rooms, Tunnels, Pyramids, Ancient Aliens, Nazis, Traps, Thrilling Escapes, Chases, Strange Creatures, Dangerous Enemies, a Lost City and Great Characters, are just a few ingredients that make this exciting adventure thriller a must read for fans of this genre." (NY.Post.book.reviews)

"From bestselling author Ben Hammott this action packed adventure takes you into the Amazon Jungle to follow in the footsteps of lost Victorian Explorer, Colonel Percy Fawcett. What we have here, in part, is an excellent dramatization of what may have happened to Fawcett and what he may have discovered in the unexplored regions of the Amazon. The well written plot is seldom predictable and some of the characters you think are safe, and will be alive by the time the book reaches its climax, are not. Sights and sounds of the Amazon are described well and help to set the atmospheric tone the explorers travel through. A thoroughly enjoyable adventure."
