The Micmac Indians of Eastern Canada Wilson D. Wallis, Ruth Sawtell Wallis

The Micmac Indians of Eastern Canada was first published in 1955. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions.

The culture of an Indian tribe over a period of 300 years is described in this comprehensive ethnographic study by a husband and wife anthropologist team. The earliest accounts of the Micmac Indians were written by seventeenth-century French explorers and missionaries. These give historical perspective to the work done by the Wallises, whose research is based on field trips that bridged a 40-years span. Dr. Wallis first observed the Micmac tribes in 1911–12. He and Mrs. Wallis revisited them in 1950 and 1953, assessing the changes in material cultural and in orientation, drives, and motivations. In addition, they have preserved a rich collection of Micmac folktales and traditions, published as a separate section of the book.
