Corporate Governance Post-Sarbanes-Oxley: Regulations, Requirements, and Integrated Processes

Zabihollah Rezaee

Corporate Governance Post Sarbanes-Oxley introduces a corporate governance structure consisting of seven interrelated mechanisms of oversight: managerial, compliance, audit, advisory, assurance, and monitoring. The book begins with a discussion of the new requirements for corporate governance and financial reporting brought about by Sarbanes-Oxley and then shows how a well-balanced functioning of the seven mechanisms produces a responsible corporate governance structure that ensures quality financial reporting and credible audit services. Each chapter includes checklists, real-world case studies, and best practice tips.
