When Ryan Harper accepts his dream job in Hong Kong he has no idea that he is about to become an accessory to kidnapping, a bank robber and a prime suspect in a murder case. Ryan's life is turned upside down as he is forced deep into a living nightmare where he can trust no one and has nowhere to hide.

When D.I. Sarah Lam takes on the case she quickly uncovers that a political campaign has been used as a cover-up and that Hong Kong is on the brink of an underground Triad war that could plunge the City deep into terror and chaos, even the Police cannot be trusted.

D.I. Sarah Lam's past comes back to haunt her as she starts to get closer to the truth. A dark web of secrets begin to unravel, leading her to a series of murders, deceit and lies that consume her as she tries to put the pieces together to solve the case.

As time is now against her, she may have no choice but to trust her adversary if she has any chance to prevent a Triad war and find Ryan Harper alive.
