Omnibus 1 of 3 for the Paranormal Public series!

Book 1: Paranormal Public

One minute Charlotte Rollins is a normal girl, the next she's a freshman not at a normal college, but at Paranormal Public University, a school where paranormals of all kinds must co-exist. Her transition to this new and wonderful world is difficult. While Charlotte tries to learn magic, make new friends, and confront forbidden love, the demons - archenemies of the paranormals - are getting stronger. The demons are looking for something, and it turns out that Charlotte might just hold the key to finding it.

Book 2: Elemental Rising

Demons are beating at the protections surrounding Public, and inside the safety of the grounds is a new threat, an old resentment that has nothing to do with demons but is born of a much more personal pain. Now Charlotte and her friends must stand together to protect each other, even if they don't know from whom . . . until it's too late.

Book 3: Elemental Shining

Battles come from every direction, and as the demons swarm Public it becomes clear that they want more than just the last elemental dead: they want to wipe out every paranormal, and they are within reach of a way of doing it. Charlotte is the only thing that stands between the paranormals and destruction.
