The One That Got Away Simon Wood

Graduate students Zoë and Holli only mean to blow off some steam on their road trip to Las Vegas. But something goes terribly wrong on their way home, and the last time Zoë sees her, Holli is in the clutches of a sadistic killer. Zoë flees with her life, changed forever.

A year later and still tortured with guilt, Zoë latches on to a police investigation where the crime eerily resembles her abduction. Along with a zealous detective, she retraces the steps of that fateful night in the desert, hoping that her memory will return and help them find justice for Holli. Her abductor—labeled the "Tally Man" by a fascinated media—lies in wait for Zoë. For him, she is not a survivor but simply the one that got away.

With an unforgettable heroine, a chillingly disturbed psychopath, and a story that moves at breakneck speed, *The One That Got Away* is thriller writer Simon Wood at his finest.

From reader reviews:

Richard Benson:

Book will be written, printed, or descriptive for everything. You can learn everything you want by a e-book. Book has a different type. As we know that book is important matter to bring us around the world. Alongside that you can your reading skill was fluently. A guide The One That Got Away will make you to possibly be smarter. You can feel much more confidence if you can know about every thing. But some of you think that will open or reading any book make you bored. It isn't make you fun. Why they may be thought like that? Have you seeking best book or appropriate book with you?

Jeffrey Smith:

As people who live in the actual modest era should be update about what going on or details even knowledge to make these people keep up with the era which can be always change and progress. Some of you maybe can update themselves by examining books. It is a good choice for yourself but the problems coming to you is you don't know which you should start with. This The One That Got Away is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Maria Smith:

The actual book The One That Got Away will bring someone to the new experience of reading some sort of book. The author style to elucidate the idea is very unique. Should you try to find new book to see, this book very acceptable to you. The book The One That Got Away is much recommended to you to learn. You can also get the e-book through the official web site, so you can quicker to read the book.

Wendy Lambert:

This The One That Got Away is great guide for you because the content which can be full of information for you who always deal with world and also have to make decision every minute. This specific book reveal it data accurately using great manage word or we can claim no rambling sentences in it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having The One That Got Away in your hand like obtaining the world in your arm, details in it is not ridiculous a single. We can say that no guide that offer you world within ten or fifteen moment right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. occupied do you still doubt that will?
