Just Do Something: A Liberating Approach to Finding God's Will Kevin DeYoung

Why won't God reveal his special will for my life already?

Because he doesn't intend to... So says Kevin DeYoung in this punchy book about making decisions the godly way.

Many of us are listening for the still small voice to tell us what's next instead of listening to the clear voice in Scripture telling us what's now. God *does* have a will for your life, but it is the same as everyone else's: Seek first the kingdom of God. And quit floundering.

With pastoral wisdom and tasteful wit, DeYoung debunks unbiblical ways of understanding God's will and constructs a simple but biblical alternative: live like Christ. He exposes the frustrations of our waiting games and unfolds the freedom of finding God's will in Scripture and then simply doing it.

This book is a call to put down our Magic 8-Balls and pick up God's Word. It's a call to get wisdom, follow Christ, be holy, and live freely. To just do something.
