**Romance trades the open road for the high seas in the latest from the author of *Focus on Me* and *Trust the Focus...***

Perpetually shy, Quinn Mathers is content to remain in the shadow of his brash best friend Jess Hartman. But before their college graduation, he and Jess have planned one last hurrah: a spring break Caribbean cruise.

And it won't be just any cruise. On board are members of the reality show *Trip League*, which follows young twenty-somethings on adventures around the world. Since the show's beginning, Quinn has been fascinated by J. R. Butler, with his amazing body, warm eyes, and killer grin. Unfortunately, he's straight—or so the world thinks.

At nineteen, J. R. signed a contract to play straight for the show, and there's no way to get out of it now. Yet with each passing day, Quinn and J. R. find it harder to keep their hands off each other and to keep out of the camera's frame. But when the lens finally focuses on them, J. R. must decide if he's willing to risk his career by admitting his bisexuality, and Quinn must determine if he's bold enough to stand in the spotlight with the man of his dreams...
